Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Monday 28 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fine in the north, unsettled in the south.

This Evening and Tonight:
Some rain continuing for parts of Wales, central and southern England. Some heavy rain possible mostly for far south with the odd rumble of thunder. Cloudy for many, but clear periods across Scotland, Northern Ireland and northern England.

Tuesday:
Warm sunshine again in the north. Cloudier across central and southern areas with some patchy rain or showers, perhaps heavy in the far south.

Outlook for Wednesday to Friday:
Plenty of fine and dry weather with a few showers, locally heavy on Wednesday. Chilly in some eastern areas at first but elsewhere warm by day.
